Lakeport Christian Church

Gospel Restored

October 2021

*Restoring the church back to the
New Testament pattern!*

During the month of October this year, we are going to focus on two different things during the AM messages.

#1—MISSIONS (Main focus)

As we have Lifeline Christian Mission visiting us on October 10, I thought it would be good that we take this month and have missions as a theme. Missions is taking the Gospel to the uttermost parts of the world. But lest we forget, we have our own mission field right here in Lakeport, and in the communities where we live. For that matter, we may have a mission field right in our home. The Gospel is what people need to hear! Yes, they need to hear that in the remote parts of India—but also in the rural area of Glades County! These are some of the things we will be looking at during my morning sermons this month.

#2—Restoration History

Every October, for the past few year, the Christian Restoration Association (CRA) has declared October “Restoration History” month. If you do not know who the CRA are—they are the ones who publish our

Sunday school material. If you would like to read more about the CRA, you can go to their website at www.thecra.org.

We have been studying the Restoration Movement on Sunday nights, and should finish up that study this month. During that AM service this month, I will take just a couple minutes to point out a “restoration” principle that the church here at Lakeport practices. These are simple, yet profound principles, that the church needs to hold on to!

Pray that it is a great month in the Lord here at Lakeport! May He be glorified in all that we do!

Did I tell you—I love being your evangelist?

Kevin
