Gospel Restored

November 2021

*Restoring the church back to the
New Testament pattern!*

Every November, we as Christian Americans, remember how thankful we are to our great and awesome God, for all the blessings He provides. Of course, we as Christians, know that we are to **ALWAYS** be thankful, not just during November, or not simply on Thanksgiving day!

Scripture verses like Colossians 3:17, and so many more, remind us to give thanks—*Whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks through Him to God the Father.*

If you were in the AM Service, or Wednesday night Bible study, during October—you heard the song **10,000 Reasons**. The song goes: *For all Your goodness I will keep on singing—ten thousand reasons for my heart to find.* I would simply say we have so much to be thankful for—you know, *count your blessings, name them one by one!*

Allow me to give you a few things to think about, which I see as blessings from God—some of the 10,000+ things we can be thankful for:

Our Country—we are blessed to live in this land. Even though there is so much corruption anymore, we live in the land of the FREE and the home of the BRAVE! Keep praying for the good ol' USA!

The Church—give thanks to God for His church—the one He purchased with His own blood! And thank God for all the people who have mentored you in His church so you can stay on the straight and narrow!

Daily Blessings—this may be where 10,000+ comes in. Air, food, water, clothing, family . . . and the list goes on and on of daily blessings!

Salvation—last, but NOT least, is the fact, if you are a Christian and been immersed into Christ to have your sins forgiven, you have the promise of eternal life with God FOREVER, if you remain faithful unto death! He saved us! He redeemed us! He took away our sins! He considers us NOT GUILTY because of the blood of the Lamb! WOW! Now that is something to be thankful about!

Love you all! Kevin
