Purpose of Revival

This month—February 6-9—we will be hosting a revival meeting with the David Melton Family. When the church talks about “revival”, what does it mean?

Let me suggest two things I would like to see happen as a result of our revival meeting:

1. My prayer would be the Gospel would be preached, and taught, and lived out; and souls would be won to Christ. Maybe you are one of those people who have been thinking about obeying the Gospel! I would pray that the revival would help to convict you to follow through!
2. My prayer, also for the revival meeting, is the church would be REVIVED! What I mean by that is: the church can be encouraged and uplifted and built up! Each one of us Christians can take a good honest look at ourselves, and our lives, and recommit ourselves to the Lord, and to His church.

So I hope you will join us for EVERY session of the meeting. The Revival starts Sunday morning, February 6th. Then it will run Sunday night through Wednesday at 6:30 each evening.

You will LOVE the Meltons—a wonderful Christian family!
