*Restoring the church back to the  
New Testament pattern!*

I have been blessed to be in full-time ministry for 34 years now! WOW! Seems like yesterday I was attending classes at Florida Christian College! Okay, maybe not like yesterday—but time sure does fly by! Since before I even started preaching, I committed myself to:

- Contend for the faith once delivered
- Restore the New Testament pattern to the Lord's church
- Uplift the plain teachings of Scripture
- Teach others to follow the Bible, and the Bible only; and to be Christians, and Christians only!

These are great principles for the church to live by:

- The Bible only will make Christians only!
- No creed but Christ! No book but the Bible!
- Where the Scriptures speak, we speak;  
Where the Scriptures are silent, we are silent!

Here is my prayer in this regard for the Lord's church:

*Lord, help your church to be strong and courageous in this age of tolerance! May your church be bold to take a stand against anything that goes counter to the New Testament pattern and position! Lord, may you raise up a generation who will stand for the truth! Lord, raise up laborers who will contend for the faith! And Lord, forgive us when we are timid. May we be unashamed of the gospel. May we speak the truth, in love! And may we pray for, and support, others who plead for the truth! May all this be accomplished in Jesus' name, and to His glory! Amen and amen!*

May we begin here at Lakeport!

*Kevin*
