Gospel Restored

June 2022

*Restoring the church back to the
New Testament pattern!*

“No Book—but the Bible!”

“Where the Scriptures speak, we speak!

Where the Scriptures are silent, we are silent!”

“A people of the Book!”

These are common “slogans” a person will read when reading the history of the Christian Churches and Churches of Christ in our country.

The reason these slogans are still important today, is because they are great principles to work off of as a people who simply want to follow the Bible! The religious world has lots of books . . . but only one book stands above every other book—and that is the Book of books—the Bible—the Scriptures!

We at Lakeport Christian Church follow the Bible, and the Bible only, in matters of faith and practice. It is God inspired. It is inerrant (without errors as it was originally given). It is our sole source of authority for how we live, and for what we do as a church.

This month during our AM service, I will be sharing on the importance of the Word of God in our lives, and the life of the church.

May the church here at Lakeport ALWAYS uphold the Word of God as the authority! Remember—by following the Bible only—people will become Christians only!

The B-I-B-L-E—yes, that’s the book for me! I stand ALONE on the Word of God! Are you standing with me, solely on the B-I-B-L-E? I pray you are.

I love being your evangelist!
